The late Tressie Bowman, publisher of the ALFORD FAMILY BULLETIN in a family group record provided to AAFA used the St. Peter's Parish Register and Boddie to compile a family as is shown in this record. Although the church record does prove a John Alford had the children listed there is nothing to prove it was the John who died in 1710.

Chamberlayne, C.G., THE VESTRY BOOK AND REGISTER OF ST. PETER'S PARISH, New Kent and James City Counties, Virginia 1706-1786, 1937, Reprint 1989 mentions Mrs. Alford four times:

Pg 156 The Vestry which met November 16 1713 allowed Mrs. Alford 400 pounds for "Keeping Mary Design & her Child 4 Mon"

Pg 159 The Vestry which met December 7 1714 allowed Mrs. Alford 1400 pounds for "Keeping Mary Design & Child &"

Pg 350 "Elisabeth Daughter of Daniel Design by Mary his Wife Bapt, 8br: ye 27" [This would be August the 8th month but the year was not shown. It was listed between 1710 and 1714.]

Pg 428 "Mary Design Died July 15th, 1722"

Second Generation

2. Elizabeth Alford (1.John¹) born Est __ 1683, Probably Virginia, married Nov 3 1698, in New Kent County, Virginia, Jacob Winfrey. Elizabeth died Mar 27 1714. There is nothing that says the Elizabeth who married Winfrey was the daughter of John Alford - particularly this John Alford.

Children:

7. i John Winfrey born ___ __ 1699, New Kent County, Virginia.
8. ii Jane Winfrey born ___ __ 1701, New Kent County, Virginia.
9. iii Jacob Winfrey born ___ __ 1704, New Kent County, Virginia.
10. iv Eleanor Winfrey born ___ __ 1707, New Kent County, Virginia.
11. v Henry Winfrey born ___ __ 1710/11, New Kent County, Virginia.

3. James Alford (1.John¹) born Abt __ 1687, Probably New Kent County, VA, married ______ ______. James died Abt __ 1730, New Kent County, Virginia. Birth and death dates are estimates based on other recorded events in New Kent County, VA in the St. Peter's Parish Register. PLEASE NOTE: It is not proven that he was the son of John Alford but there is strong circumstantial evidence indicating that he is. In various entries of the St. Peter's Parish Vestry Book and Register his presence was mentioned:

September 6, 1710 his account was allowed 420 pounds for keeping a Parish child. (pg 143)

November 16 1713 his bill was credited with 350 pounds. (pg 156)

September 29 1721 allowed 76 1/2 pounds for an Overlist. (pg 180)

February 7 1713 when son James was born. (pg 354)

August 28 1715 when son Warren was born. (pg 354)

September 1717 when son Julius was born. (pg 449)

September 29, 1718 as surveyor of ye highways. (pg 168).

Children:

+ 12. i Goodrich Alford born Abt __ 1708.
+ 13. ii Lodwick Alford born Abt __ 1710.
14.  iii  **James Alford, Jr.** born Feb 7 1713, New Kent County, Virginia. Nothing more is mentioned about this James Alford in the New Kent County records. There is a possibility that he was the same James Alford who married a Lucy Bailey (there was also a Lucy Bailey in New Kent County) and later appeared with family in Louisa and Goochland Counties.

+ 16.  v  **Julius Alford** born Sep __ 1717.

Children:

17.  i  **Abel Wood** born May 27 1712.

6.  **John Alford**  (1.John) born Est __ 1693, New Kent County, Virginia, married **Grace ______**. John died May 2 1726, New Kent County, Virginia. See the list of "John Alford events" in the record of his supposed father.

The St. Peter's Parish Register proves that John was married to Grace and his death date. It shows that they had children: Frances, Isaac, Elizabeth, Unity and Charity. It also shows that Grace later married Michael Harfield. John Alford identified the last three children in his will signed May 1, 1726. At that time John owned nine slaves and they were given to the daughters in the will. In a court case in Halifax County, September 1771, John Bates was seeking a settlement involving the slaves and the will was introduced as evidence. The court case goes on to say "We find that a certain John Bates intermarried with Elizabeth Alford a legatee therein named . . ."

Entries about Grace in the St. Peter's Parish Vestry Book and/or Parish Register.

Dec 16 1724 3:00 a.m. Unity Daughter of _____ Alford & Grace born. (Rpg 74 and Vpg 451) (John's will proved he was the father of Unity) Dec 16 1724 noon Charity Daw _____ born (Rpg 74 and Vpg 451) (The register does not make it clear that they are twins but it seems obvious. John's will proves her as a daughter.)

May 15 1726 Tom a negro belonging to Grace Alford Dyed. (Rpg 54 and Vpg 420)

February 14 1727 After John Alford's death Grace married Michael Harfield (Rpg 48 and Vpg 413)

July 8 1734 as Grace Harfield gave birth to David- son of Michael (Rpg 113 and Vpg 517).

+ 20. iii Elizabeth Alford born Jul 1 1719.

22. v Charity Alford born Dec 16 1724, New Kent County, Virginia.

Third Generation

Children:

23. i Sarah Alford born ___ __ 1733, New Kent County, Virginia.

25. iii Susannah Alford born Oct 5 1739.

There has long been a family tradition- reinforced by some DAR records- that Lodwick married a Rebecca Ferrell. Nothing has been found to support this idea. A North Carolina court record lists his wife as Sarah and some believe he married, Sarah the widow of his brother Goodrich. It appears that the daughters of Goodrich were mentioned in Lodwick’s will. There is nothing to indicate the mother of any of the children other than William, Elizabeth and Jacob whose births are recorded in St. Peter's Parish, New Kent County, VA.

There are some in the family who believe Elizabeth was a Cade. The records do prove that such a person was available for the marriage and from all indications the Alfords and Cades were very close. See also the record on Sussana Cade, the younger sister of Elizabeth, and the next supposed wife of Lodwick.

There are some who think Susanna was a Hartley but there is no evidence to support the idea. Others think she was a Cade with Lodwick turning to his late wife, Elizabeth Cade’s, sister to help with the raising of young William Alford. See the comments about sister Elizabeth Cade the supposed previous wife of Lodwick.
Children by Elizabeth Cade:

26. i William Alford born Jul 31 1734, New Kent County, Virginia,\(^{(11)}\) baptized: Aug 2 1734, New Kent County, Virginia, married ______ ______. William died Apr 21 1825, Hancock County, Georgia.\(^{(12)}\) His will was probated May 2, 1825. A newspaper obituary styled him as a 84 year old Revolutionary War Soldier. It is just possible the person providing the data for the obit did not know his date of birth or his true age. PLEASE NOTE: It has not been proven that this William Alford was the son of Lodwick Alford. It is only a possibility at this time. Some would say it is a probability. Seems likely that Owens and Wilkens will prove to be the same person.

This family needs much more research and work. Note the significant differences between the age of William and the estimated birth of the children. It may be worse than it looks. Martha was previously estimated to have been born in 1789 but the 1850 census suggests she was born in 1814 which would make her father about 80 at the time she was conceived.

Children by Susanna Cade:

28. iii Jacob Alford born Dec 12 1738, New Kent County, Virginia,\(^{(14)}\) baptized: Feb 18 1738, New Kent County, Virginia,\(^{(15)}\) married Abt __ 1758, in North Carolina,\(^{(16)}\) Mary Pace, born Feb __ 1740, (daughter of George Pace and Obedience Worekan) died Aft __ 1810, Robeson County, North Carolina, buried: Fulmore Cemetery, Robeson County, NC. Jacob died Abt __ 1814, Robeson County, North Carolina.\(^{(17)}\) His will was dated July 4, 1794. Contents need to be included here. Some family tradition says he is buried in the Fulmore, sometimes called Ashpole, cemetery in Robeson Co. NC but there are no stones or other evidence of his burial there.

Children by Unknown:

29. iv Lodwick Alford born Abt __ 1740.\(^{(18)}\) It seems a good possibility that this Lodwick Alford is the same Lodwick Alford later known as James Lodwick Alford of Wake County. He is the subject of a separate genealogy.

30. v James Alford born May 20 1740, Virginia or North Carolina,\(^{(19)}\) married Dec 14 1769, in North Carolina, Winifred Luraner Boykin. James died Nov 12 1812, Hancock County, Georgia.\(^{(20)}\) The family moved from New Kent County, Virginia to North Carolina at just about the time he was born.

31. vi Julius Alford born Est __ 1750, North Carolina, married Abt __ 1773, in North Carolina, Rebecca Jackson, born Abt __ 1748, North Carolina, died Aft __ 1825, Greene County, Georgia. Julius died Aug 25 1820, Greene County, Georgia. The date of his death is questionable. His will was written in 1819 and probated in the September 1820 court - pretty fast probate.

33. viii Warren Alford.

34. ix Winny Alford married ______ Rogers.

35. x Anslem Alford.

36. xi Lemuel Alford born Est __ 1765, married Sep 21 1790, in Franklin County, North Carolina, Clary Jones. Name may have been Samuel. Appears differently in various records but in his father Lodwick’s will, which identifies him as a son, appears to be Samuel. Court records dealing with him as Lodwick’s guardian show both and marriage record appears to be Lemuel.
We do not have proof that it was Lodwick’s Lemuel who married Clary Jones but he is the only one known to be around at the time.

37. xii Goodrich Alford.

38. xiii Mary Alford born Bute County, North Carolina, married Isaac Alford, born Est __ 1748, Bute County, North Carolina, (son of Julius Alford and Lucy _____) died Franklin County, North Carolina ?. Mary died Franklin County, North Carolina.

There is no valid information on the birth, marriage and death date of Isaac. The will of Julius Alford proves that he had a son Isaac and his birth could range anywhere from 1740 to 1770. The will of Lodwick Alford proves that he had a daughter named Mary and a grandson named Bailey. Court records prove that an Isaac and Mary Alford, daughter of Lodwick, were married and that they were cousins.

This Isaac could be the same one who went to Texas with his children Winfield, Sarah, Chloe, Hatch and Wright.

39. xiv Kinchen Alford born ___ __ 1768, Bute County, North Carolina, married May 16 1789, in Franklin County, North Carolina, Linda Williams. 16. **Julius Alford** (3.James², 1.John¹) born Sep __ 1717, St. Peter's Parish, New Kent County, VA,(29) occupation Farmer, married **Lucy _____**, died Aft __ 1790.(30) Julius died ____ __ 1771, Bute County, NC.(31) The source cited for the birth gives only the month and year. The will of Lodwick Alford proves that he had a daughter named Mary and a grandson named Bailey. Court records prove that an Isaac and Mary Alford, daughter of Lodwick, were married and that they were cousins.

This Isaac could be the same one who went to Texas with his children Winfield, Sarah, Chloe, Hatch and Wright.

42. iii **Goodrich Alford** born Est __ 1750, North Carolina. He is thought to be the Goodrich who moved to Georgia. Though he and his unnamned wife were enumerated in 1820 Jones County at age 45 or over there were no children listed. He was always listed as Goodridge in Georgia.

Before 1795 he moved to Montgomery County, Georgia where tax and land records show he lived until about 1806. By 1807 he was in Louisiana where his twin sons were born. Louisiana land records prove that he had settled on land in what was to become Washington Parish by December 1807. He was given headrights on 641.32 acres in what was to become Section 54 with the north boundary on what was to become the state line and the eastern boundary on the Bogue Chitto River. 1850 census of several children show them born in Georgia.

2 The Parish Register of Saint Peter's New Kent County, Virginia 1680-1787 published by The National Society of The Colonial Dames of America in the state of Virginia, 1904,
3 There is no real basis for this estimated date of birth.

4 The St. Peter's Parish Register give this date for death of William Alford but it does not specifically identify which William. There was another William, a contemporary of John Alford, Wm's supposed father- it could have been him.
